

A President for the UK Club.

Currently, the UK Barchetta Owners Club has a small committee which functions to promote interest in the 'little boat' and to support the club membership through a range of meetings and activities and via the Owners Club website. To date, we have not had a President of the club...*this could now change.*

A proposal has been put forward to elect our membership secretary, Martin Garrad, to the role of president of the Barchetta UK Owners Club. Martin has worked tirelessly for the club, since joining in 2010 - he has been the 'go-to' person for information and updates and has been assiduous in encouraging and supporting new (and existing) members.

This proposal will be put to the AGM on 3rd July. The meeting scheduled for 6.30pm is being held by ZOOM and it is hoped that members will give their support to this motion and accord Martin the recognition he so justly deserves.
